

Who is the local community for us?

Group discussions
Läkarmötet 2014

Rotary Doctors

- Jeeplines:
 - Clinic Committees /Community Health Committees and volunteers
 - Spring/well committees
 - Community Health Workers
- Dentists:
 - Schools and families

Scandinavian Doctors

- Turkana - Integrated project with Erikshjälpen
 - AIC local counterpart
 - Community Health Com
 - Community Health Workers
- Community outreach through the hospitals

“Counterparts”

- Local community is also colleagues/staff at hospitals and jeeplines
 - Lectures
 - Training
 - Bed side training
 - Continues medical education “CME”
 - “Do not despise the indirect effects that your work has.” Hans Rosling

Group discussions last year

- Hospitals:
 - Better communication with the hospitals about which doctors are coming, agree on training
 - Include not only doctors in training/lectures
 - Write about it in the report so the next can doctor can read
 - Examples of subjects
- Jeeplines
 - Training of staff and patients
 - Counselors can have more tasks than just HIV
 - Cooperation with dispensaries
 - Keep order!!

Update - where we are today

- Scandinavian Doctors
 - Mutomo, Kenya
 - Mpongwe, Zambia
 - Chikankata, Zambia
 - Nkinga, Tanzania
 - Mchukwi, Tanzania
 - Aira, Etiopien ??
 - Tansen, Nepal ??
 - AIC Turkana
 - Sabatia, Panzi,
 - Gamboula, CAR
- Rotary Doctors
 - Siaya: Ugunja and Maseno jeeplines
 - Mumias: Mumias and Matungu jeeplines
 - Kisima: Kisima-Buuri jeepline
 - Will open a new jeepline in the beginning of next year
